

SAFETY AND HYGIENE - OUR MEASURES

We take all the necessary measures to make you feel comfortable and safe and so that you can fully enjoy every moment of your vacation.

ADDITIONAL MEASURES

- Extra disinfection of main points of contact in the guests' rooms, including light switches and doorknobs.
- Hand sanitising dispensers that can be used by guests on the entrances and in all other common areas
- We have cut down on physical paperwork
- Changes have been made to the buffet menu in the breakfast lounge
- Enhanced team member safety with personal protective equipment and enhanced training courses
- Affixed signs to maintain the necessary social distance
- We have prepared an emergency plan to act quickly if we are notified of a coronavirus case in our hotel
- All rooms are thoroughly ventilated on a daily basis.
